Example of arranging folders on a Competitor's computer:

Module Folder

Module 2

Project Description and Tasks

This module consists of 3 (THREE) tasks that you have to do. You are **not allowed** to do outside the time limit that has been given.

Briefing of the Project

Brand Name : Kertasiana
Business : Paper supplies

Introduction

Kertasiana, founded in 1995 by Kris Ertandas Indro, is an independent company based in Bandung that focuses on providing high-quality paper for designers, brands, and publishers. The company highlights various paper characteristics such as engaging textures, rich colors, and a wide range of choices to inspire creativity. Kertasiana emphasizes the importance of paper that stimulates the senses and supports a creative ecological approach.

Kertasiana excels not only in product quality but also in its commitment to the community and the planet. They established the Kertasiana Charitable Trust to support young people across West Java in pursuing careers in the creative industry. In addition, they are proud to be a certified B Corp, practicing a zero-waste-to-landfill policy and reducing CO₂ emissions from 760 tons (in 2018) to 200 tons per year, with a target of reaching net-zero at their facilities by 2027. Kertasiana also offers fully recyclable paper, strengthening their reputation as a sustainable paper provider.

Description of the Project

You are assigned to design a logo identity and section of a promotional booklet to help the company market their brand and products.

Target Audience

Audience : Male 50% / Female 50%
Age Range : 19-45 years old
Social Class : Middle-up class with income Rp5.500.000 and above
General Behavior : Work on graphic design industries (creative director, art director, graphic designer), graphic design students.

Task 1: Vector Logo

Objective

Create a vector logo for Kertasiana's brand identity. This logo will be implemented into the company profile booklet that you will create.

Requirement

- Design **only the logotype**
- The logotype **must use Sans Serif**
- Use **only 2 (TWO) colours** and **must include this colour:** C26 M0 Y100 K0
- Text must include: **Kertasiana**
- You may use uppercase or lowercase for the logo

Technical Specifications

Dimension	: A4 – 297 mm x 210 mm (Landscape)
Color Mode	: CMYK with ONLY 2 (TWO) colours and must include this colour: C26 M0 Y100 K0
Design element	: Only logotype and must use Sans Serif .
Working File Format	: AI
Final File Format	: PDF
Folder Name	: Competitor Number_Module 2
Sub Folder Name	: Task 1
File Name	: Competitor Number_Module 2_Logo

Provide

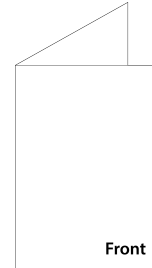

Folder & file names as specified in "Instructions for Competitor". Only links & files from this folder will be marked.

- 1 x PDF – vector and text outlined
- 1 x AI – vector and text outlined

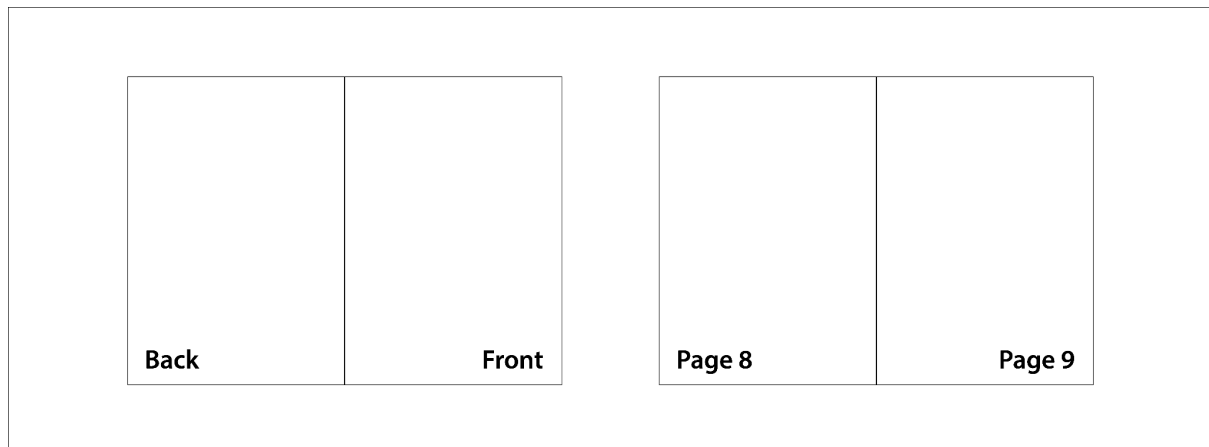

Task 2: Booklet

Objective

Create a company profile booklet for Kertasiana, ensuring the layout is efficient, the content remains readable, and the overall design retains a strong sense of aesthetics.

Requirement

Sample booklet page layout.
