Day three -Editorial

Briefing of the project

Einführung

Überblick: Ziele für nachhaltige Entwicklung

Die Ziele für nachhaltige Entwicklung (Sustainable Development Goals, SDGs) wurden 2015 von der Generalversammlung der Vereinten Nationen (UN-GA) aufgestellt und sollen bis 2030 erreicht werden. Sie sind in einer Resolution der UN-GA, der Agenda 2030, enthalten. Die SDGs, die auch als globale Ziele bezeichnet werden, wurden 2015 von den Vereinten Nationen als universeller Aufruf zum Handeln angenommen, um die Armut zu beenden, den Planeten zu schützen und sicherzustellen, dass bis 2030 alle Menschen in Frieden und Wohlstand leben.

Die 17 SDGs erkennen an, dass Maßnahmen in einem Bereich Auswirkungen auf die Ergebnisse in anderen Bereichen haben und dass die Entwicklung ein Gleichgewicht zwischen sozialer, wirtschaftlicher und ökologischer Nachhaltigkeit herstellen muss. Die Länder haben sich verpflichtet, vorrangig Fortschritte für diejenigen zu erzielen, die am weitesten zurückliegen. Die SDGs zielen darauf ab, Armut, Hunger, AIDS und die Diskriminierung von Frauen und Mädchen zu beenden. Die Kreativität, das Know-how, die Technologie und die finanziellen Ressourcen der gesamten Gesellschaft sind notwendig, um die SDGs in jedem Kontext zu erreichen.

Die verschiedenen 17 SDGs sind:

Keine Armut, kein Hunger, gute Gesundheit und Wohlbefinden, hochwertige Bildung, Gleichstellung der Geschlechter, sauberes Wasser und sanitäre Einrichtungen, erschwingliche und saubere Energie, menschenwürdige Arbeit und Wirtschaftswachstum, Industrie, Innovation und Infrastruktur, Verringerung der Ungleichheit, nachhaltige Städte und Gemeinden, verantwortungsbewusster Konsum und Produktion, Klimaschutz, Leben unter Wasser, Leben an Land, Frieden, Gerechtigkeit und starke Institutionen, Partnerschaften für die Ziele.

Nachhaltiges Entwicklungsziel 14: Leben unterhalb des Wassers

Das 2015 als integraler Bestandteil der Agenda 2030 der 17 transformativen Ziele angenommene Ziel 14 betont die Notwendigkeit, die Ozeane, Meere und Meeresressourcen der Welt zu erhalten und nachhaltig zu nutzen. Die Umsetzung von Ziel 14 wird durch spezifische Zielvorgaben gelenkt, die sich auf eine Reihe von Meeresfragen konzentrieren, darunter die Verringerung der Meeresverschmutzung, der Schutz der Meeres- und Küstenökosysteme, die Minimierung der Versauerung, die Beendigung der illegalen Fischerei und der Überfischung, die Erhöhung der Investitionen in wissenschaftliche Erkenntnisse und Meerestechnologie sowie die Einhaltung des internationalen Rechts, das die sichere und nachhaltige Nutzung des Ozeans und seiner Ressourcen fordert.

Beschreibung des Projekts

Die Vereinten Nationen organisieren die "UN-Ozeankonferenz" für das Ziel 14. Sie wird vom 27. Juni bis 8. Juli 2023 stattfinden. Sie ist eine einzigartige Plattform, um Wege für einen Kurswechsel zu finden. Die Ozeankonferenz findet zu einem kritischen Zeitpunkt statt, da die Welt versucht, viele der tief verwurzelten Probleme unserer Gesellschaften anzugehen, die durch die COVID-19-Pandemie zutage getreten sind und die große strukturelle Veränderungen und gemeinsame Lösungen erfordern, die in den SDGs verankert sind. Um Maßnahmen zu mobilisieren, wird die Konferenz versuchen, die dringend benötigten wissenschaftsbasierten innovativen Lösungen voranzutreiben, um ein neues Kapitel der globalen Meerespolitik aufzuschlagen.

Die Organisatoren benötigen ein Programmheft für die Veranstaltung. Das Programmheft enthält wichtige Informationen über Ziel 14, den Zeitplan der Konferenz und eine Vorstellung der verschiedenen Redner.

Zielpublikum

Stakeholder und innovative Denker aus Nichtregierungs- und gemeinnützigen Organisationen, Wirtschaft und Industrie sowie lokalen Behörden.

Ausgewählte Personen mit allgemeinen Interessen an Klimawandel, Tierrechten und Naturschutz

Task to perform

Task1: The cover of the Conference Booklet >> 2 hours

Task 2: Booklet with 12 inner pages >> 3 hours

Task 3: Liquid Layout for conference timeline only >> 1 hour

Description of the Task

Create: Booklet Cover with Flap

The client would like to publish a handy and at the same time detailed program booklet for the conference. The cover should be eye-catching and include a cover flap on the right side, which could be used also as a bookmark.

For this first task, focus on the design of the cover, which consists of the front cover, the right flap, the inside left cover, the inside right cover and the back cover.

As a special feature, a part on the title page (front cover). This die-cut should be creatively combined with the inside of the flap. You must create a die line for this die-cut on the front cover. Create a design for the flap of the cover adapted/aligned to the die-line of the cover.

Front Cover Outside:

- Text for front cover provided in Appendix folder
- Use the logo of the ocean conference, choose the logo landscape or portrait oriented according to your design. The colour of the logo is not allowed to be changed.
- Use at least 2 images provided in folder >> 2_Appendix_Images. You can add more images.

Cover Flap:

- Part of the inside flap must be visible on the front cover
- You can design in any way you like

Back Cover:

- Text for back cover provided in Appendix folder
- Use all three (3) logos of United Nations, the SDGs and the Conference. Colours can be changed related to your design
- Use at least 2 images provided in folder >> 2_Appendix_Images. You can add more images.
- Create a QR-Code with this link <https://www.sdg.un.org> QR-Code size (black area) 15x15 mm. The QR-Code must be 100% black.

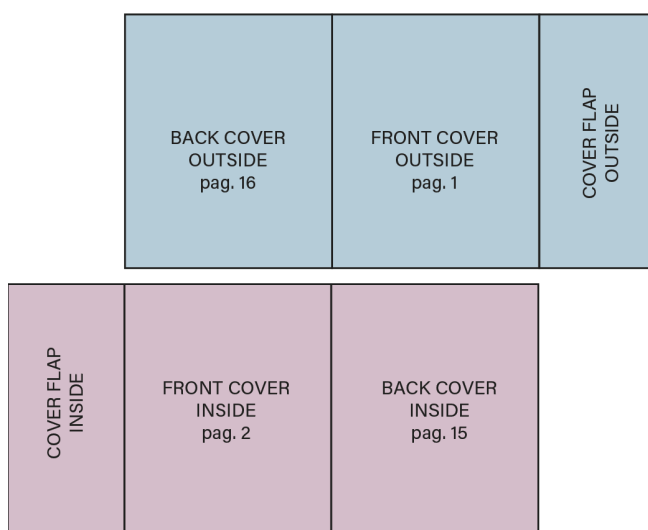

Front Cover Inside:

- Here you must insert the imprint. Text for the imprint here >> 1_Appendix-Text

Back Cover Inside:

- No given text here. Create a photo collage (at least four images) that matches the content of the quote from page 14. The quote states: "We are using resources as if we had two planets, not one. There can be no 'plan B' because there is no 'planet B.'" Ban Ki-moon

Use images from this folder >> 2_Appendix_Images

Produce: Technical Specifications

- Size of cover (closed format): 16 x 27 cm (portrait)
- Size of the cover flap: 8 x 27 cm (portrait)
- Correct arrangement of pages in the layout file (outside one spread, inside one spread). No paragraph styles and page numbers needed
- Colour: cmyk + PANTONE 285 U + spot colour for die line. Name the die line: "Die Line front"
- Bleed: 3 mm
- Resolution of the images: 150 - 160 ppi (greyscale and colour images)
- Colour profile: Uncoated Fogra29
- File name: YY_Conference-Booklet-COVER.indd (YY number of your workstation)

Provide

Digital:

- 1 x PDF/X-4:2010 of inside and outside spreads, with bleed, crop marks, fold lines, and the die line (die line on a separate layer).
- Collected folder for print with 1 x INDD, 1 x PDF/X-4:2010, Links and Fonts only (no IDML)

Print:

- 1 x A3 printout of the back cover, front cover, and cover flap outside as spreads, with bleed, crop and fold marks and die line ONLY.

Present

Present design of the cover pages from Task 1 within 2 hours after the competition start.

Stick on the provided black board the spread of your cover pages outside (Back cover outside, front cover outside, cover flap outside). Cut out to original size

Task 2

Create: Design inner pages for the Booklet

Create the 12 inside pages of the booklet (pages 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14). These inside pages of the booklet must start with the number 3.

Page 3:

- Automatically create a "Table of Content" for the booklet.

Page 4-5:

- Use the text provided in >> 1_Appendix_Text
- Use the 17 icons for the 17 SDG's provided in the folder >> 3_Appendix_SGDIcons
- Use at least one image from the provided folder >> 2_Appendix_Images

Page 6-7:

- Use the text provided in >> 1_Appendix_Text.
- Create three infographics
- Use at least one image from the folder >> 2_Appendix_Images or create your own illustration

Page 8:

- Use the text provided in >> 1_Appendix_Text

Page 9:

- Use the text provided in >> 1_Appendix_Text
- Use the image of the speaker and at least one image from the same folder.

Page 10:

- Use the text provided in >> 1_Appendix_Text
- Use the image of the speaker and at least one image from the same folder.

Page 11:

- Use the text provided in >> 1_Appendix_Text
- Use the image of the speaker and at least one image from the same folder.

Page 12-13:

- Use the text provided in >> 1_Appendix_Text
- Design the timetable for the conference, the text must be formatted as a table.

Page 14:

- Use the text provided in >> 1_Appendix_Text
- In the text you will find a quote. Design the quote creatively. Note that this page and the photos on the Back Cover Inside should match in terms of content.

Produce: Technical Specifications

- Size of Booklet (closed format): 16 x 27 cm
- File name: YY_Conference-Booklet-INNER.indd (YY represents the number of your workstation)
- Colour: cmyk + PANTONE 285 U the colour of "SDG Target no. 14" must be used and included in the layout
- Bleed: 3 mm (only top, bottom and outside)
- Resolution of the images: 179-181 ppi
- Colour profile: Uncoated Fogra29
- Paragraph Styles needed and named: "headertitle", "title", "subtitle"
- Paragraph Styles NOT needed on page 3 and 14 and within the tables on page 12 and 14
- Table Styles needed for the tables on page 12 and 13. Name the Table Styles "Timeline".
- Master Page Elements: Page Number, Running Headline and recurrent design element on every page (lines, dots, logos,...)

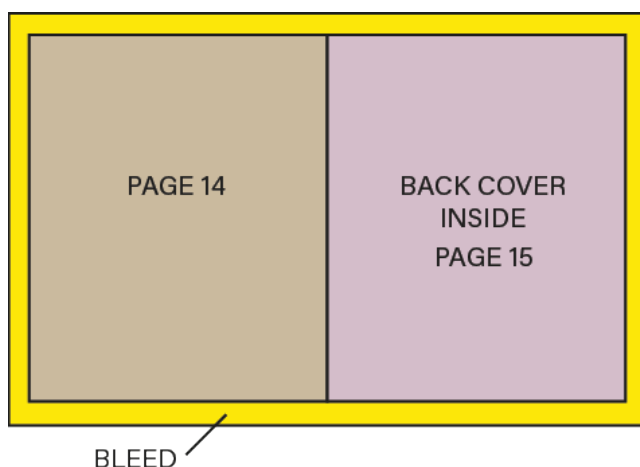

Provide

Digital:

- 1x print ready PDF/X-3:2002 with the inside pages as single pages with cropmarks and bleed
- 1x collected folder ready for print (complete). The INDD Document in this folder will be assessed.

Print:

- 1x A3 printout only with page 14 and Back Cover Inside as spreads with bleed, crop marks and fold marks. No flap page.

Present

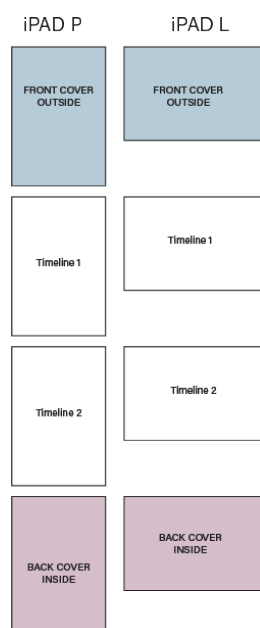

1x Mock-Up as complete booklet, including cover and inside pages.

Task 3

Create: Alternative Layout for the Conference Timetable

The schedule for the event will also be made available digitally to all conference participants. It must therefore be easy to read on tablets such as iPad in both portrait and landscape format. You must develop an alternative Layout based on liquid layout rules.

Design a four (4) page programme booklet based on your Layout from Task 1 and 2: Use the same content and design of front cover page outside, timetable on page 12 and 13, back cover page inside.

Produce: Technical Specifications

- Format: iPad: 768 x 1024 px
- Liquid layout rules: guide based
- Name for vertical layout: "iPAD P" - Name for horizontal layout: "iPAD L"
- Maintain Links between alternative layouts
- Transparency Blend space: RGB
- ICC Profile: sRGB IEC61966-2.1
- No Bleed

Provide

1 x InDesign Document for assessment

Present

To show the client how your presentation looks like, provide an interactive PDF and define the view to "Fit on Page" and to open the presentation in "Full Screen Mode"

Instructions to the Competitor

Document Management

Digital Data on your Computer

Create a folder on your desktop called YY_Name-of-TP_DAY_Z , where YY represents the number of your workstation. "Name of TP" represents one of the 4 Test Projects (e.g. Corporate Design, Packaging,...) and Z the day of competition (1 to 4). The name of the folder does not contain any blanks.

All working, final and packaged files must be included in this folder. There is no other File or Folder on your Desktop.

e.g. : 06_Editorial_DAY_3

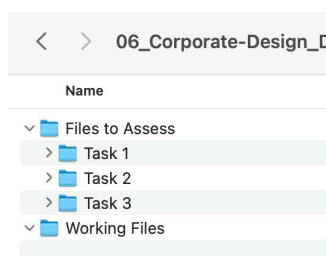

(example for Workstation nr. 06 on the third competition Day)

Files to Assess >> All final and packaged files must be included in the specific "Task n" folder. e. g.: Task 1, Task 2, Task 3

Working files >> The content of this Folder is up to you. Files and Documents in this folder will not be assessed. This folder serves as data storage and to provide a tidy structure in the other folders.

Printout:

You must include your workstation number on the presentation board and printouts for marking and delivery to your workstation (the number should be included outside of the artwork).

Marking Scheme

The Marking Summary will be either provided during the briefing session on C2 or at your workstation.

Appendix

This test project paper will be printed out. To prevent too many pages from being printed, we do not list all appendix documents here. You will find them in the folder on your desktop.
