INSTRUCTION FOR COMPETITOR

1. Learn the topic that have been given.
2. Do the next instruction based on the topic.

TOPIC

Brand Name : Studio on Fire

Tagline : Igniting Art, Pressing Music into Time

INTRODUCTION

Studio on Fire is an award-winning letterpress studio based in Bandung, Indonesia, renowned for its innovative approach to design and print. The studio masterfully combines traditional craftsmanship with modern technology, pushing the boundaries of what can be achieved with letterpress. Specializing in creating stunning printed materials, Studio on Fire has built a strong reputation across various industries, particularly in the music industry, where they produce highly detailed and tactile products such as vinyl album covers, posters, and promotional materials.

The overall aesthetic of **Studio on Fire** is a harmonious blend of modern minimalism and vintage craftsmanship, meticulously designed to evoke both a sense of nostalgia and contemporary elegance. Studio on Fire captures the raw, authentic feel of handmade art while maintaining a fresh, modern edge.

PROJECT DESCRIPTION AND TASKS

To support this brand, a visual identity system is needed to be applied across various promotional media for the Studio on Fire

TARGET GROUP

Age	: 25-45 years old
Gender	: Men dan Women
Social Class	: Middle-up class
Behavior	: This group values the tactile and aesthetic experience of vinyl records and seeks out special, limited-edition items. They appreciate the fusion of art and music and are willing to invest in high-quality, artisanal products that reflect their passion for music.
