INTRODUCTION

Project

Design and create promotional materials for the 'PatchWorks' campaign - an 'old clothes recycling' campaign. The concept of PatchWorks is a wonderful activity to take advantage of fabric scraps from old clothing or worn. It is useful for recycling the variety of fabrics to join them into one for different purposes of cloth like jacket, bags, jeans and so on. Logo guidelines must be adhered to.

Description

With the rapid development of the consumer society, urban dwellers are used to consume much more than what they need, which leads to over consumption.

A promotional campaign, titled as 'PatchWorks' is launched to arouse the awareness of the public in environmental conservation by treasuring the values of old clothes. This campaign encourages people to redesign a new 'patchwork' fashion with a collection of old clothes and materials.

Participants have to promote this campaign through visual identity, poster and print advert to reach different of target group.

Target market

Young people from age 16-25

Text

All text from the file WSC2011_TP40_MOD4_PRE_EN_01.rtf (poster) and WSC2011_TP40_MOD4_PRE_EN_02.rtf (advert) must be used. You may choose the size, style and colour of the text. The files can be found on your desktop in a folder called *Module 4*.

Images

A library of images has been supplied for your use. The images can be modified to suit the style of the design and their sizing and placement can be freely determined. The supplied images can be used to your liking. You may introduce any images that are your own design, however, you may not use any other images that have not been supplied.

DESCRIPTION OF PROJECT AND TASKS

Task 1: Design of a poster

“PatchWorks” is launching a new product line of jeans with patchwork artist Dorothy Russell as a collaboration project to raise awareness of environmental conservation. The A3 poster should reflect both the style of the artist’s work and the value of redesigning old clothing.

All the text provided in WSC2011_TP40_Module_4_pre_EN_01.rtf must be used in your poster. You must use at least one of the supplied images and you are able to manipulate them as you wish. No vector illustration should be created.

“PatchWorks” 將推出一個新牛仔褲產品，與 patchworks 藝術家多蘿西羅素合作，以喚起公眾在保護環境的意識。為了配合該產品的推廣，設計風格必須保留該藝術家作品之獨特性及反映舊衣回收的設計價值。並且該設計必須能適合於不同類型的項目所應用。首先是需要製作一張海報，當中內容必須使

WSC2011_TP40_Module_4_pre_EN_01.rtf 這個檔案裡的文字。除此您可以使用任何所提供的圖像或其他任何您創建的圖片(該圖像不得使用向量)或插圖，但不得使用任何其他自備的圖像。而且“Patchworks”的標誌必須在海報內顯示。

Texts for print advert:

Headline: Every PatchWorks product is an original.

Bodytext: PatchWorks has been manufacturing clothes and accessories for women and men since 1998. Our materials are used, having seen them around the corner. They are warm quilt, fabric, leather jacket, polishing cloth. We apply our recycled materials in a totally new way, insisting on superlative design and functionality. Every PatchWorks product is made from original clothes of different colours, markings and contours. So every PatchWorks product is an original.

PatchWorks products are on sale at our online shop, in our PatchWorks Flagship Shops (Berlin, Davos, Hamburg, Cologne, Vienna, New York and Zurich) and in 350 shops round the world.

INSTRUCTIONS TO THE COMPETITOR

Time limit for this test project: 4 hours (excluding competitor briefing and free communication time)

About image marking for all tasks:

The final resolution and the colour mode of your images will be evaluated in the PDF files.

The file format of your images will be evaluated in your linked files folder.

All saving files should be: .tif / .eps (including dcs eps) / .ai / .psd / formats

Save your documents in a folder on the desktop clearly identifying that folder with your workstation number.

The files in this folder need to be organised in such a way that somebody unfamiliar with the job can find them, print them and if necessary modify them. PDF files must be included.
